August 1, 2017

Dear Kindergarten Parents/Guardians:

The ASK Kindergarten Orientation is set for Thursday, August 24th, beginning at 5:30pm in the ASK cafeteria. The evening will consist of some informational sessions for you and your child, along with a ride on a school bus, and time in the classroom with your child's teacher. We look forward to seeing you and your child as this orientation is very helpful for your child's transition into the regular school year.

Enclosed, you will find an agenda for our evening's events. Bus passes will be handed out by the kindergarten teachers, except when immunization and/or registration records have not been received. Parents/guardians who have questions of our transportation staff or nurses can report to those stations as follows **at 7:15 p.m.**

- A. **Nurse's Station**- for those who have not previously provided us with up-dated immunization data on your child. You will not receive a bus pass without us having that information on file. Therefore, it is critical for you to provide us with the proper immunization records that evening, if you have not previously done so.
- B. **Transportation Station** - for those who have address changes or special questions.

The following general school supplies will be needed for the 2017-2018 school year: a full-sized backpack; glue sticks; crayons; dry-erase markers; and a change of clothes in a plastic bag. Grade level specific supplies can be found on our school's website, however, some basic supplies may be provided by our staff. Please be sure to label your child's items with a permanent marker.

We look forward to seeing you and your child on Thursday, August 24, 2017 at 5:30pm.

Sincerely,

Brett Cancredi
Principal
