February 24, 2010

To the Family of _____,

A Bus Safety Program is scheduled for March 3, 2010 in which your child will participate. Your child has been identified as someone who will benefit from an intensive class in bus safety. Your child's participation is required in order for him/her to continue using the school bus service on a regular basis.

This program is a coordinated effort with the Port Jervis City School District and Quality Bus Company to provide students with repeated unsafe bus behaviors to learn more fully how to conduct themselves on their bus ride to and from school. Our first group of students will stay after school, participate in the class, and return home via a school bus. Quality Bus Company will route this bus to ensure the safe return of all the students.

The program runs from 3:00 p.m. until 4:00 p.m. on March 3, 2010. Your child is expected to attend this one session. Please be advised that further unsafe conduct by your child will result in subsequent bus suspension. If you would like to attend the session yourself as a volunteer, please contact Dottie Pariot – Assistant Principal of ASK Elementary School. If you have any questions, please call Mrs. Pariot at 858-3138.

Thank you for your cooperation and support.

Sincerely,

John Solimando
