Dear Parents, Guardians, and members of the Port Jervis High School Class of 2021,

Congratulations on your completion of your middle school experience. This is an exciting time for you and your families. I would like to welcome you to Port Jervis High School and invite you to our student/parent orientation. This important meeting will be held on Tuesday, August 29<sup>th</sup>, at 9am, in the Port Jervis High School Auditorium. Although we still have some weeks left in summer, we want you to start getting ready to start the new chapter in your lives: High School!

We ask that you save the date and join us for this important informational session. There will be a combined parent/student meeting and then we will split the group to address the parents and students separately. We strongly encourage parents to attend. If parents/guardians are unable to come, the students can attend by themselves or with their classmates. During the sessions, we will be sharing information that will assist both students and parents in their preparation for the start of ninth grade. The program will last approximately 2 hours. Our goal is to ensure that all of our incoming ninth graders will have a successful freshmen year.

Enjoy the rest of your summer. Our team at PJHS is looking forward to seeing you at the high school on Tuesday, August 29<sup>th</sup>, at 9am. You should come ready to make a great first impression. Enclosed are copies of the parent and student portal enrollment forms. Please fill out and return these papers on orientation day, if you have not already set up a parent portal account. These forms will allow the parent and student to access their grades, attendance, and student information on our on-line school data system named Schooltool. If you are unable to attend orientation, you may return these documents at the start of school. Thank you. Go Port!

Yours in Port Pride,

Andrew Marotta
