SUBJECT: SCHOOL RESOURCE OFFICER

The School Resource Officer (SRO) is a highly trained, motivated and committed police officer assigned to the Port Jervis City School District as the result of the execution of an Inter-Municipality/Memorandum of Agreement between the Port Jervis City School District (the “District”) and “cooperating municipality”. Execution of the Memorandum of Agreement between the Port Jervis City School District and the cooperating municipality presumes appropriate authorization by the legislative bodies of the respective municipalities.

The School Resource Officer interacts with students, faculty, staff and administrators in order to identify issues, problems and concerns and works collectively with all concerned to arrive at a mutually acceptable resolution of the issues, problems and concerns while at the same time helping the school district assure and maintain a safe learning environment for all involved.
