

SUBJECT: TRANSPORTATION OF STUDENTS**Requests for Transportation to and from Non-Public Schools**

The parent or person in parental relation of a parochial or private school child residing in the Port Jervis City School District who desires that the child be transported to a parochial or private school outside of the School District during the next school year shall submit a written request to the District's private transportation provider no later than April 1 of the preceding year, or within thirty (30) days of moving into the District. No late request of a parent or person in parental relation shall be denied where a reasonable explanation is provided for the delay.

Transportation of Students with Disabilities

Students with disabilities in the District shall be transported up to fifty (50) miles (one way) from their home to the appropriate special service or program, unless the Commissioner certifies that no appropriate nonresidential special service or program is available within fifty (50) miles. The Commissioner may then establish transportation arrangements.

Student Information

Any mode of transportation used on a regular basis to transport students with a disability on a regularly scheduled route shall, upon written consent of the parent or person in parental relation, have maintained on such mode of transportation the following information about each student being transported:

- a) Student's name;
- b) Nature of the student's disability;
- c) Name of the student's parent, guardian or person in a position of loco parentis (person in parental relation) and one or more telephone numbers where such person can be reached in an emergency; and/or
- d) Name and telephone number of any other person designated by such parent, guardian or person in a position of loco parentis as a person who can be contacted in an emergency.

Such information shall be used solely for the purpose of contacting such student's parent, guardian, person in a position of loco parentis, or designee in the event of an emergency involving the student, shall be kept in a manner which retains the privacy of the student, and shall not be accessible to any person other than the driver or a teacher acting in a supervisory capacity. In the event that the driver or teacher is incapacitated, such information may be accessed by any emergency service provider for such purpose.

SUBJECT: TRANSPORTATION OF STUDENTS (Cont'd.)

Such information shall be updated as needed, but at least once each school year and shall be destroyed if parental consent is revoked, the student no longer attends such school, or the disability no longer exists.

Herein the term "disability" shall mean a physical or mental impairment that substantially limits one or more of the major life activities of the student, whether of a temporary or permanent nature.

Fire Extinguishers

School buses manufactured on or after January 1, 1990 fueled with other than diesel fuel and used to transport three (3) or more students who use wheelchairs or other assistive mobility devices or with a total capacity of more than eight (8) passengers and used to transport such students shall be equipped with an automatic engine fire extinguishing system.

School buses manufactured on or after September 1, 2007 fueled with diesel fuel and used to transport three (3) or more students who use wheelchairs or other assistive mobility devices or with a total capacity of more than eight (8) passengers used to transport such students shall be equipped with an automatic engine fire extinguishing system.

Transportation of Non-Resident Students

Non-resident families must provide their own transportation.

Transportation to School Sponsored Events

Where the District has provided transportation to students enrolled in the District to a school sponsored field trip, extracurricular activity or any other similar event, it shall provide transportation back to either the point of departure or to the appropriate school in the District unless the parent or legal guardian of a student participating in such event has provided the District with written notice, consistent with District policy, authorizing an alternative form of return transportation for such student or unless intervening circumstances make such transportation impractical. In cases where intervening circumstances make transportation of a student back to the point of departure or to the appropriate school in the District impractical, a representative of the School District shall remain with the student until such student's parent or legal guardian has been contacted and informed of the intervening circumstances which make such transportation impractical; and the student has been delivered to his/her parent or legal guardian.
