

SUBJECT: CREDENTIAL OPTIONS FOR STUDENTS WITH DISABILITIES

The Port Jervis Board of Education is committed to ensuring that students with disabilities are provided appropriate opportunities to earn a high school diploma in accordance with the provisions of Commissioner's Regulations Section 100.5. However, when necessary, the District may award high school individualized education program (IEP) diplomas to students with disabilities.

High School Diplomas

Students pursuing either a Regents or a local high school diploma must acquire a certain number of units of credit in specified courses and also meet subject sequence requirements. It is critical that students with disabilities be provided access to the required courses and testing programs needed for graduation with these awards.

Regents Diploma Requirements

To earn a high school Regents diploma, all students need to take and pass five (5) specific Regents examinations with a score of 65 or higher and earn twenty-two (22) units of credit. The required Regents Examinations are English, Mathematics, Science, Global History and Geography, and U.S. History and Government.

High School Individualized Program (IEP) Diplomas

Each individualized education program (IEP) diploma awarded shall be accompanied by a written statement of assurance that the student named as its recipient shall continue to be eligible to attend school until the student has earned a high school diploma or until the end of the school year of such student's twenty-first (21st) birthday, whichever is earlier.

The Superintendent shall report to the State Education Department, within fifteen (15) days after the June graduation, the total number and the names of the students awarded IEP diplomas that school year.

Local Diploma Safety Net Options for Students with DisabilitiesStudents with Disabilities Entering Grade 9 Prior to September 2011

Student with disabilities who first enter grade 9 prior to September 2011 may earn credit toward a Local Diploma by:

- a) Achieving a score of 55-64 on any or all Regents Examinations required for graduation (English, Mathematics, Science, Global History and Geography, and/or U.S. History and Government); or
- b) Passing the corresponding Regents Competency Test (RCT) of a failed required Regents Examination.

SUBJECT: CREDENTIAL OPTIONS FOR STUDENTS WITH DISABILITIES (Cont'd.)

The school may administer the RCT before or after the Regents Examination, but in all cases the student **MUST** take the required Regents Examination in order to earn the Local Diploma.

The RCT Examinations shall remain available until the student graduates or reaches the age of twenty-one (21). This provision of law applies only to students with disabilities who are entitled to attend school pursuant to Education Law Section 3202 or 4402(5).

Students with Disabilities Entering Grade 9 After September 2011

The option to take the Regents Competency Test (RCT) will not be available for any students entering grade 9 beginning in September 2011 and thereafter. The student's grade level is based on the grade in which the student was enrolled during the school year (September to June) prior to September 2011. While the RCT safety net ends with the class of students that entered grade 9 during the 2010-2011 school year, the local diploma option remains available to all students with disabilities provided they earn a score of 55-64 on one (1) or more required Regents examinations.
