**SUBJECT: PHASE IN GRADUATION STANDARD OF 65 ON REQUIRED REGENTS EXAMINATIONS**

The Port Jervis Board of Education supports the higher academic achievement standards established in accordance with Commissioner's Regulations that sets 65 as the passing grade on all five Regents examinations required for high school graduation (i.e., the Regents comprehensive examination in English, a Regents examination in mathematics, the Regents examination in United States history and government, a Regents examination in science, and the Regents examination in global studies). However, the Board recognizes that additional time may be necessary for students to transition to these higher standards. Therefore, it is the policy of this District that the following phase in schedule of the 65 graduation standard on required Regents exams is established.

In order to obtain a local diploma, students who first enter grade 9 in September 2005, 2006 and 2007 must attain the following scores on the five required Regents examinations:

**Students Entering Grade 9 in September 2005**

Unless otherwise authorized pursuant to law and/or regulations, students who first enter grade 9 in September 2005 must attain a score of 65 or above on two of the five required Regents examinations and a score of 55 or above on the remaining three required Regents examinations.

**Students Entering Grade 9 in September 2006**

Unless otherwise authorized pursuant to law and/or regulations, students who first enter grade 9 in September 2006 must attain a score of 65 or above on three of the five required Regents examinations and a score of 55 or above on the remaining two required Regents examinations.

**Students Entering Grade 9 in September 2007**

Unless otherwise authorized pursuant to law and/or regulations, students who first enter grade 9 in September 2007 must attain a score of 65 or above on four of the five required Regents examinations and a score of 55 or above on the one remaining required Regents examination.

**Students entering Grade 9 in 2008**

Unless otherwise authorized pursuant to law and/or regulations, students must pass all five required Regents examinations at a score of 65 or above.
