Dear Parents/Guardians of **JUNIORS AND SENIORS:**

In an effort to update our student lists, and as a result of the recent federal legislation “No Child Left Behind”, please be advised that the Guidance Department is now obligated to forward upon request the names, addresses, and telephone numbers of Junior and Senior students to the Armed Services.

If you wish that your son/daughter’s name and address ***not*** be released, please sign your name and forward this letter back to our office.

Thank you for your cooperation in this matter.

Sincerely,

The Guidance Department
