### Teachers Wishes

Please let me know via e-mail if you have any concerns or Ideas for equipment you may want in your classroom FOR THE COMING YEAR. This is not a promise it will come but will help us sort out what your needs are to help support you in your instruction. The opening newsletter list a multitude of equipment available to try. It can be signed out with the computer aide. You should also tell the aide about any changes in use by teachers so they can keep accurate logs. Thanks and I look forward to hearing from you all ☺
