May 12, 2020

Dear Port Jervis Learning Community,

I hope this letter finds you and your family well. On Thursday, May 21, 2020 I am proud to share that the Port Jervis City School District will be hosting multiple virtual assemblies focused on our Social Emotional Learning Program, Choose Love. The Choose Love Enrichment Program, is a Pre-K through 12th grade, character development and Social and Emotional Learning (SEL) program that teaches educators and their students how to choose love in any circumstance through wonderfully simple yet powerful themes and practices for the classroom that naturally evolve into a culture where students feel safe, nurtured, connected, and empowered. The founder and moderator of the event, Scarlett Lewis, is the recipient of the International Forgiveness Award, the Live Your Legacy Award and the Common Ground Award for her advocacy work for peace and forgiveness. Please feel free to learn more about the program here: <https://www.jesselewischooselove.org/>

The tentative schedule is posted below. A link to the Zoom Conference will be shared by our building staff prior to the event to each student's Google Classroom. As always please contact me should you have any questions at the number listed above.
