PORT JERVIS CITY SCHOOL DISTRICT
INDOOR COMMUNITY WINTER WALKING TRAIL
PORT JERVIS HIGH SCHOOL

The Port Jervis Board of Education and the Port Jervis City School District would like to extend a wonderful opportunity to community members during the winter months. From Monday, December 4, 2017 through Friday, March 23, 2018, an indoor "Walking Trail" has been established in the High School and ASK Complex. We know that many district residents enjoy the use of our outdoor track and campus walkways and trails for exercise; and we would like to provide a safe and convenient alternative during the months of inclement weather to allow those interested to keep exercising.

For those interested:

- The "Walking Trail" will be available Monday – Friday from 4:00 p.m. until 5:45 p.m.
- Participants will sign in at the High School Main Office with the greeter and leave their photo identification, which will be returned when leaving.
- All participants must complete the "Hold Harmless Agreement" and the "Adult Release Form". Parents must complete the "Minor Release Form" and "Hold Harmless Agreement" for any students wishing to participate. These forms will be available at the High School Main Office and may be completed the first time you use the trail. Please also complete the emergency contact information on these forms.
- Please see the attached map of our complex outlining the trail and location of our automated external defibrillators (AED's).
- Participants must stay on the designated walking trail that is indicated on the map.
- All participants must exit the building by 5:45 p.m.
- The "Walking Trail" is only open on days when school is in session. It will not be open on days that school is closed for vacation or for inclement weather.
