December is here...

So, welcome to the final newsletter of the year!

National Drunk & Drugged Driving Prevention month

This campaign raises awareness about the importance of being sober behind the wheel. The time between Thanksgiving and New Year's Day is described as one of the deadliest and most dangerous times on the roadways in this country. Never get in a car with someone who is under the influence of any kind and do not make the mistake of getting behind the wheel yourself. It could cost you or someone else their life.

Life is better with clean hands
National Handwashing Awareness Week is December 1-7. Be vigilant about handwashing, especially this time of year during cold and flu season. Covid is also still a risk. Wash your hands!

December is also...
