Assistant Principals

January 24, 2019

Dear Parents/Guardians and Students:

I hope this winter season finds you well. I am writing to you about an important upcoming parent/student assembly to be held at Port Jervis High School on Thursday, February 7, 2019. The evening will begin with Sophomore Information Night starting at 6 PM. At 7 PM, the district will be hosting a "Not One More" event in the high school auditorium. This is a *mandatory event* for all current student drivers and all those who will be getting their driving permit or license this year. The goal of the evening is to raise awareness about the importance of teen safety while driving and the prevention of further student accidents. Please mark your calendars to attend this event. The program should be approximately one hour in length.

If your child has a school commitment or work obligation that does not allow him or her to attend this event, please let Denise Sauschuck (x11523) in the Assistant Principals' office know. We will make accommodations for you to view the presentation at another time. Attendance for all drivers will be taken that evening. Thank you so much for your support and we look forward to seeing you.

Additionally, the new semester begins January 29, 2019. There are half-year class offerings beginning on this day, as well as the planning and discussions for next year's classes. Please check with your child and remain in touch with your child's guidance counselor regarding these new opportunities. Finally, I remind you of our attendance and discipline thresholds for participation in spring activities. Continue to encourage your child to attend school on time each day. 10 discipline referrals, 15 unexcused lates, & 20 unexcused absences are the limits for many of the events in the spring including the prom and junior semi-formal.

#GoPort #Project90

Yours in Port Pride,
