March 2019

AMENDED DATE: WEDNESDAY, APRIL 24, 2019

Dear Middle School Families,

September 2019. June 2023. These two dates are very important in your child and family's life. They are the start and graduation date of your child's high school years at Port Jervis High School. I am writing to inform you of the next step in their journey. We are very excited to invite you to our **spring PJHS Freshmen Orientation to be held at the high school on WEDNESDAY, APRIL 24th, 2019 at 6pm**. Staff will be here to meet with you, talk about our HS programs, discuss with you options for your child, as well as see our different clubs and activities we have here at PJHS. You will also have a chance to see our wonderful school building. Parents or guardians should accompany each student.

You should plan to arrive at 5:45pm to get your schedule for the evening, and get situated for a 6pm start. The evening will end with light refreshments at approximately 8pm.

Please RSVP by April 12th to Mrs. Schields at the HS main office either by calling 845-858-3102 x11511 or by email to jschields@pjschools.org so we can prepare accordingly.

I look forward to meeting each and every one of you. Go Port! #TwoClaps!

Yours in Port Pride,

Andrew Marotta
Principal
