Pursuing excellence at every level, every day.

November 23, 2020

Dear Port Jervis Learning Community:

We were informed this morning, November 23, 2020, that one of our high school students tested positive for Coronavirus (COVID-19). This student was last in the school on November 3, 2020, therefore there is no contact tracing from the school setting.

Thank you for understanding the fact that due to medical privacy laws, we are not able to release the name or names of the individuals with COVID-19. We will continue to communicate changes and updates with you.

If you have any questions, please feel free to contact Orange County Department of Health at 845-291-2330.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Rydell", written over a faint, larger version of the same signature.
